## Virtual visits and your consent questions

OTN has received a number of questions from physicians and delegates regarding virtual visits and consent during the COVID-19 pandemic. Physicians are advised to reference and follow the consent policies/procedures established at their place of practice, however the following resources may also prove helpful:

- Canadian Medical Protective Association [COVID-19 FAQs](#)
- College of Physicians and Surgeons [COVID-19 FAQs for Physicians](#)
- Ontario MD [Virtual Care and the 2019 Novel Coronavirus \[COVID-19\] What Can I do?](#)
- Ontario Health (OTN) [Checklist: Patient consent to participate in a video visit](#)
